WHO WE ARE

In today's intricate logistics landscape, the goal for managers is proactive, not reactive, supply chain management. However, achieving this is challenging with fragmented tools like emails and Excel. **SOLOS by Sellogs** changes the game as a unified logistics system, integrating every aspect of logistics into one platform for unmatched real-time control and visibility.

RETURN OF INVESTMENT (ROI) WITH SOLOS

- Freight Cost Reduction: Up to 10%
- Audit and Payment Savings: 50% reduction
- FTE Efficiency: 100% FTE release from manual tasks
- Freight Settlement Reduction: 3-5% improvement

WHY SOLOS

ERP INTEGRATION

Seamless operations through integrated data for POs, invoices, and load sheets.

UNIFIED PLATFORM

Centralized control for all logistics activities, enhancing decision-making.

DYNAMIC DISPATCH

On-demand planning to optimize logistics costs.

A UNIFIED DASHBOARD APPROACH

Distribution Logistics links many parts and people, focusing on preventing problems before they happen. It requires a single dashboard that brings together all its functions.

	Freight Planning
	Freight Operations
	Vendor/Price Discovery
	Freight Visibility
	Freight Bill Audit & Payment Services
