# PRE-ENGINEERED BUILDINGS

## PEB Components

- |                                     |                                      |                       |                                    |
|-------------------------------------|--------------------------------------|-----------------------|------------------------------------|
| 1. Kirby Roof Panel                 | 8. Ridge Ventilator (With Bird Mesh) | 15. Single Walk Door  | 22. Roof Monitor                   |
| 2. Kirby Wall Panel                 | 9. Power Ventilator                  | 16. Curved Eave       | 23. Double Walk Door               |
| 3. Canopy                           | 10. Eave Gutter                      | 17. Industrial Louver | 24. Roof Extension                 |
| 4. Roll Up Door (Manual/Electrical) | 11. Louver With Bird Mesh            | 18. Corner Trim       | 25. Return Downspout               |
| 5. Double Slide Door                | 12. Masonry Trim                     | 19. Eave Trim         | 26. Brick Wall                     |
| 6. Rake Trim                        | 13. Window With Insect Screen        | 20. Flush Fascia      | 27. Wall Light (Translucent Panel) |
| 7. Sky Light ( Translucent Panel)   | 14. Downspout                        | 21. Strip Skylight    | 28. Curved Cantilever Fascia       |

- |                                  |                                   |                    |                                       |
|----------------------------------|-----------------------------------|--------------------|---------------------------------------|
| 1. Concrete Footing              | 8. Framed Opening (Window/Louwer) | 15. Lean Too Frame | 22. Eave Stud                         |
| 2. Anchor Bolts                  | 9. End Wall Wind Column           | 16. Crane Beam     | 23. Side wall Girt                    |
| 3. Base Plate                    | 10. Roof Bracing (Angle/Rod/Pipe) | 17. Crane Column   | 24. Flush Fascia Frame                |
| 4. End Wall Girt                 | 11. Main Frame Rafter             | 18. EOT Crane      | 25. Cage Ladder                       |
| 5. Portal Bracing                | 12. Jack Beam                     | 19. Roof Purlin    | 26. Deck Panel with Steel Mesh        |
| 6. Main Frame Straight Column    | 13. Main Frame Tapered Column     | 20. Flange Brace   | 27. Hand Rail (Steel)                 |
| 7. Wall Bracing (Angle/Rod/Pipe) | 14. Cantilevered Fascia Frame     | 21. Sag Rod        | 28. Staircase Checker Plate/C Channel |
|                                  |                                   |                    | 29. Crane Bracket                     |

## PEB Advantages

Single source responsibility  
Faster installation  
Economical  
Earthquake resistant

Factory - controlled quality (ISO 9001/14001 Certified)  
Practically maintenance free  
Clear spans exceeding 100 M

Flexibility in expansion  
Energy efficient roof and wall systems  
Environmental Friendly

## PEB Applications

- Warehouses / Cold Storages
- Factories / Industrial Buildings
- Low Rise Office Buildings / Supermarkets
- Showrooms / Workshops
- Aircraft Hangars / Metro Stations
- Shipyards / Ports
- Sports Stadiums / Auditorium
- Petrol Stations / Car Parks
- Schools / Colleges / Hospitals
- Community / Recreational Buildings
- Exhibition Centers / Function Halls
- Shopping Malls
