B2B Marketplace for MHE Solution

MHE Bazar is a renowned and established brand of Lithium-ion Conversion Kits. The company provides reliable and high-quality products to its customers. With their innovative technology, MHE Bazar's Lithium-ion Conversion Kits have been designed to meet the highest safety standards while offering excellent performance. Their kits are easy to install and offer a wide range of features such as short circuit protection, overload protection, and more. All these features make them the perfect choice for those who want to convert their vehicles from lead-acid batteries to lithium-ion batteries. With their commitment to quality and customer satisfaction, MHE Bazar is sure to remain a leader in the lithium-ion conversion kit in the Indian industry for years to come.

With the unparalleled quality of batteries, we've spread our wings in the industrial battery. We strive proudly that our Lithium-Ion Batteries are Optimizely used in – Forklifts, Pallet trucks, Scissors Lift, Reach Truck, BOPT, Stacker, Golf Cart, Cranes, Electric Street Sweepers, and So on.

Fortunately, Lithium-Ion batteries come with a lot of advantages over lead-acid batteries.

Till now MHE Bazar Converted 200+ Batteries

Key Energy Storage Performance Factors

- Highly Durable
- Longer Cycle Life
- Charging & Discharging Protection
- High Temperature performance
- Bluetooth based App Connectivity
- IOT Enabled

Benefits of Lithium-Ion Batteries

- Safety
- More Usable Capacity
- Energy Saving
- Drop-in Replacement
- Constant Power
- Long Shelf Life
- Lightweight
- Temperature Tolerant
- Maintenance Free
- Longest Life
- Fast Charging
- Non-Hazardous

Switch to a Sustainable Energy

Hand Pallet Truck (HPT)

Capacity - 2500 to 5000 kg
Lift - upto 200 mm
Fork Width - 550/685

Fully Electric Small BOPT

Capacity - 1500 & 2000 kg
Fork Width - 560/685
Battery - 24V 20Ah (Lithium-Ion)

Semi Electric stacker

Capacity - 1000 to 2000 Kg
Lift - 1600mm to 3000mm
Mast - Single / Double
Battery - Lead-Acid / Lithium-Ion

Fully Electric Stacker

Capacity - 1000 to 2000 Kg
Lift - 1600mm to 6000mm
Mast - Single / Double
Battery - Lead-Acid / Lithium-Ion

Manual Stacker / Drum Lifter

Capacity - 1000 to 2000 Kg
Lift - upto 1600 mm
Mast - Single

Dock Leveller

Capacity - 6000 Kg to 15000 Kg
Platform - 2000 X 2500 mm to
3000 X 22000 mm

Mobile Semi-Electric Scissor Lift

Capacity - 350 Kg
Platform -2000 X 2500 mm
Power source - AC OR DC

Self-Propelled DC Drive Scissor Lifts

Capacity - 350 Kg
Platform -2000 X 2500 mm
Battery - 48V
